

ASUS ExpertBook B1

Primed to perform. Configured for your study.

US military grade

Full I/O ports

NanoEdge Display

AI noise-cancelling audio technology

Fingerprint Sensor

Webcam privacy shield

ASUS ExpertBook B1 is a smart choice for education organisations. It boasts high performance and military-grade durability to empower your learning place. Confidently handle whatever comes your way and stay productive in your teaching or learning, with a full set of I/O ports, speedy WiFi 6 and cutting-edge AI noise-cancelling technology.

Go-anywhere mobility

With a NanoEdge display, and 178° wide viewing angle, ExpertBook B1 enables superb viewing experiences for every scenario. The NanoEdge display keeps ExpertBook B1 compact so you can simply slip ExpertBook B1 into your backpack, and you'll be ready for a full day of performance anywhere.

Great all-around performance

Enjoy heavy-duty performance on ExpertBook B1, with an advanced 12th Gen Intel® Core™ processor, delivering the powerful performance you need to get the job done. Coupled with up to 48 GB memory and capacious storage, ExpertBook B1 is the business laptop that equips you for even the most intensive work and ensures quick access to the content you need. It's also primed for non-stop connectivity, with congestion-busting WiFi 6E for speedy stable connection.

Enterprise-grade security

Engineered with robust features that include face login, a fingerprint sensor, a Kensington lock slot, a physical webcam shield, and TPM 2.0 security, ExpertBook B1 delivers security that's fit for business — offering serious safety and protection for your premium device and priceless data.
