

# ASUS BR1100C

## Strong, smart power for learning

US military-grade durability

Modular design

10 hours battery life

WiFi 6 & 4G LTE (optional)

Dual Cameras

ASUS BR1100C is designed with one thing in mind: to keep on going however tough the environment gets. Built to military-grade standards, it's packed with clever protective features, including an all-round rubber bumper, spill-resistant keyboard and ultratough I/O ports. BR1100C also supports up to WiFi 6 and 4G LTE(Optional) for fast connectivity and has AI-powered noise-canceling technology for high-quality remote learning and conferencing.

## US Military-Grade Durability

Classrooms can be tough, but ASUS BR1100C is tougher! Built to surpass demanding US military-grade MIL-STD-810H durability standards, it's also torture-tested to pass stringent ASUS quality tests. It can withstand occasional drops of up to 120 cm — more than standard desk height — and the spill- and tamper-resistant keyboard can cope with liquid spills of up to 330 cc without harm. The hinge and I/O ports are fully tested to endure the stresses and strains of everyday use.

## Easy maintenance for uninterrupted learning.

For easy on-site servicing and reduced downtime, ASUS BR1100C has a modular design that allows key components — such as the keyboard, battery, thermal module and I/O ports — to be replaced in minutes using simple tools. As well, the underside is secured attached using captive screws, eliminating worries about losing these little parts during repairs.

## Noise cancellation

To provide exceptional remote learning and video-conferencing experiences, ASUS BR1100C features innovative ASUS AI noise-cancelling technology that employs machine learning in order to isolate unwanted noise from human speech. Try the demo to experience the amazing difference that ASUS AI noise-cancelling technology can make.

## ASUS BR1100C

- Windows 11 Pro
- Up to Intel® Pentium® Silver N6000 Processor
- Up to 128 GB eMMC and 1TB PCIe® SSD
- Up to 16GB DDR4 2400MHz RAM
- 11.6" LED backlit, HD (1366 x 768) 16:9, anti-glare, 220 nits brightness
- Up to WiFi 6 (802.11ax) and 4G LTE support (optional)
- Noise-reducing camera
- Power and internet status LED indicator
- Spill-resistant keyboard can cope with liquid spills of up to 330 cc
- Webcam shield

\* BR1100 SERIES OFFERS UP TO 256GB M.2 PCIe SSD. 1TB SSD IS ONLY AVAILABLE AS A USER-UPGRADED CONFIGURATION.
