

ASUS Chromebook Flip CR1 (CR1100F)

The rugged, student-centric study mate

US military-grade durability

Modular design

Optional garaged stylus

Eye-care Technology

ASUS Chromebook Flip CR1 is geared to unleash student creativity and potential with robust and attentive design. The Ruggedised construction endures the stresses and strains of everyday use and ASUS Antibacterial Guard^{1,2} protects student from harmful organisms in the classroom or outdoors. Featuring an easy-to-service modular design and zero-touch enrollment in IT networks, Flip CR1 is also a smart investment for education environments of all types. It supports up to WiFi 6³ for fast connectivity, has a garaged stylus⁴ and dual cameras for versatile experiences, and long-lasting battery life for uninterrupted learning — making it the student laptop to beat.

1. ASUS Antibacterial Guard is tested by an independent third-party laboratory according to the ISO 22196 standard (measurement of antibacterial activity on plastics and other non-porous surfaces), using bacterial cultures that include Escherichia coli and Staphylococcus aureus, with an antibacterial activity (R) result of $R > 2$. $R = 2$ indicates a 99% reduction in bacterial activity compared to an untreated surface.
2. ASUS Antibacterial Guard treatment is registered by the US EPA and authorized under EU BPR.
3. All specifications are subject to change without notice, feature may not be available in all markets.
4. The garaged stylus is optional.

US Military Grade Durability

Classrooms can be tough, but ASUS Chromebook Flip CR1 is tougher! Built to surpass demanding US military-grade MIL-STD-810H durability standards⁵, it's also rigorously tested to pass stringent ASUS quality tests. It can withstand occasional drops of up to 120 cm — more than standard desk height — and the hinge and I/O ports are fully tested to endure the stresses and strains of everyday use.

Antibacterial protection for all

The surface of any laptop may harbor thousands of potentially harmful bacteria. To keep your ASUS Chromebook Flip CR1 hygienic, the keyboard, touchpad and palm rest are all protected with ASUS Antibacterial Guard^{1,2}. This has been scientifically shown by the internationally-recognized ISO 22196 standard to inhibit the growth of bacteria by in excess of 99% over a 24-hour period.

Easy maintenance and service

For easy on-site servicing and reduced downtime, ASUS Chromebook Flip CR1 has a modular design that allows key components such as the keyboard, touchpad and panel to be replaced in minutes using simple tools. Flip CR1 also features zero-touch enrollment: the device automatically registers in an IT network as soon as the student or teacher connects to the internet.

ASUS Chromebook Flip CR1 (CR1100F)

- Up to 8 GB memory
- Up to 64 GB eMMC
- 11.6" HD Touch display
- Ultimate rugged design
- Versatile 360° hinge
- Optional garaged stylus support
- World-facing camera
- US MIL-810H military-grade durability
- TÜV Rheinland certified screen for low blue-light emissions
- Up to 12 hours battery life
- Up to WiFi 6 support (optional)
- ASUS Antibacterial Guard keyboard protection
