

ASUS ExpertBook B5 Flip (B5402F)

Power to turn your learning world

Thin and light

Up to Core™ i7
11th Gen Intel® CPU

Garaged stylus

Long Battery Life

ASUS ExpertBook B5 Flip is built for learning in style, with a precision-crafted chassis that's as light as 1.38 kg — and a 360° flippable touchscreen to empower the ultimate flexibility. It's also set for serious learning with an amazing all-day battery life, and is engineered with many cutting-edge technologies to improve your efficiency. These include an Intel® Core™ processor, AI noise cancellation and dual-SSD RAID support, ASUS NumberPad. It's also packed with features to protect your privacy and data, including a built-in fingerprint sensor and TPM 2.0 chip.

Handy garaged stylus

When drawing, taking notes or marking up documents, the garaged stylus included with ExpertBook B5 Flip helps you get every detail just right. The built-in stylus holder keeps the pen close at hand and reduces the risk of losing it. And, with a 15-second charge giving enough power for 45 minutes of use, you'll never be left waiting.

Get the job done, effortlessly

To make light work of all your tasks, ExpertBook B5 Flip is powered by an up to 11th Gen Intel® Core™ i7 processor with Iris® X^e graphics and up to superfast WiFi 6E, providing quick and responsive computing, network and graphical performance with enterprise-grade manageability. It also features two SSDs to provide huge up to dual 1TB capacity and faster speed, and supports RAID technology for improved data reliability or faster operation.

Lighter, stronger and more portable

Both the top and bottom cover of ExpertBook B5 Flip are crafted from pure aluminum, while the area around the keyboard area is magnesium-aluminum alloy — keeping the weight down to a mere 1.38 kg¹. Slip ExpertBook B5 Flip into a briefcase so it's with you all the time, ready for productivity in or out of the classroom.
