

ASUS ExpertCenter E1 AiO (E1600)

Unwavering versatility. Always ready.

Jasper lake10nm processor

Intergrated UPS

Fanless design

VESA mount

ASUS ExpertCenter E1 AiO is built to be your versatile and productive partner. Featuring a 15.6-inch multitouch panel, a quiet fanless design and convenient connectivity, ExpertCenter E1 AiO is ready for every need. It also elevates expectations with an uninterruptable power supply (UPS)¹ to safeguard your tasks and data — making ExpertCenter E1 AiO as dependable as it is productive.

1. The uninterruptible power supply (UPS) is an optional feature. Availability varies by country and region.

2. VESA mount compatible. Wall-mount screws are optional accessories.

3. Weight may vary according to configuration.

Unwavering operation for reliability

We know how important data, and sometimes unfortunate situations happen. That's why, unlike many competing AiO models, we've built ExpertCenter E1 AiO with an uninterruptable power supply (UPS)¹ to protect your data and tasks when mishaps cause power outages. This integrated UPS kicks in the instant that E1 AiO detects mains power is disconnected and displays a warning, giving you vital time to save your work — and extra peace of mind that you simply won't get with other AiOs.

Quieter, cleaner, and more cost-effective

ExpertCenter E1 AiO features a fanless design for silent operation with superb energy efficiency. Through its conductive-cooling system, E1 AiO eliminates fan noise and rapidly dissipates heat. This design also reduces dust circulation, assuring cost-efficiency and investment longevity.

Reliably versatile

ExpertCenter E1 AiO is designed to be versatile. Its 15.6-inch multitouch screen enables smooth, responsive interactive experiences, while its compact size means it'll fit neatly on a lecturn or on a counter of desk — or even hung on a wall, courtesy of its standard VESA mount².

ASUS ExpertCenter E1 AiO (E1600)

- Windows 11 Pro
- Up to Intel® Celeron N4500 processor
- Up to 1 TB HDD + 256 GB M.2 NVMe™ PCIe® 3.0 SSD
- Up to 8 GB dual DDR4 2933MHz memory
- 15.6" HD touch display
- With intergrated uninterruptable power supply (UPS)¹
